Press Release

GMH Gruppe completes restructuring

Securing the future of the family business for generations to come and ensuring long-term growth in its core business

Georgsmarienhütte, 20 October 2025 – GMH Gruppe has successfully completed its restructuring, marking an important step toward long-term stability, enhanced competitiveness, and the safeguarding of future investments.

The Group's industrial activities are now consolidated under GMH Gruppe SE & Co. KG, which maintains and develops the company's core steel business. GMH Gruppe is focusing on strategic growth areas such as the circular economy, green steel, and forged products. GMH Gruppe SE & Co KG is managed by GMH Gruppe Management SE, whose Executive Board comprises Dr. Alexander Becker (CEO), Mathias Hölscher (CFO), and Dr. Anne-Marie Großmann (CDO).

GMH Gruppe remains a family-owned company, and its development is overseen by the Supervisory Board of GMH Gruppe Management SE, composed of family members. In addition, the co-determined Supervisory Board of GMH Gruppe SE & Co KG, continues to benefit from the expertise of non-family supervisory board members.

Quirin Großmann Chairman of the Supervisory Board of GMH Gruppe Management SE, explains: *"With this structure in place, GMH Gruppe is well prepared for the future. It gives us the strength to invest boldly, enhance our competitiveness, and create opportunities that will endure for generations."*

Dr. Leo Birnbaum, Chairman of the Supervisory Board of GMH Gruppe SE & Co KG: "It is a pleasure to accompany the GMH Gruppe together with a team of experienced industry experts and employee representatives, and to advise the Group and the Großmann family on upcoming strategic decisions in an increasingly challenging market environment."

About GMH Gruppe

GMH Gruppe is a full-service provider of steel products, ranging from scrap-based steelmaking to ready-to-install components. It is one of Europe's largest privately owned metal-processing companies. The group comprises more than 20 medium-sized sites of the steel, forging and casting industries, serving customers in over 50 countries. With around 6,000 employees, GMH Gruppe generates annual revenues of approximately 2 billion euros.

GMH Gruppe is a pioneer in sustainable steel production and a member of the 'German Association of Climate Protection Companies'. By recycling metal scrap, the company produces green steel and contributes to a circular economy. Electric arc furnaces at four sites reduce CO₂ emissions by a factor of five compared to conventional blast furnaces – thus significantly lowering the carbon footprint for GMH customers worldwide. These include companies from the automotive, mechanical engineering, railway, energy, logistics, aerospace, agriculture and construction machinery sectors.

GMH Gruppe is committed to achieving full climate-neutrality by 2039.
